

Young Living Introduction

The market is not bereft of essential oils. Suddenly everyone and their brother are marketing, distributing, distilling. Companies are popping up all over the net proclaiming the best or the cheapest. Making promises, touting benefits.

I've been using essential oils for almost 20 years. As a clinical herbalist I felt it my duty to check out differing brands for quality. I've tried a myriad of oils: smelled, diffused, bathed and dabbed. I've bought expensive and cheap. Plain and ornate. Blue bottles and brown bottles. There's one thing I know for sure. I always come back to where I started: **Young Living. I love them. I trust them.**

Freshly cultivated and steam distilled, the essential oils in Young Living's collection are life-enhancing gifts from the plant kingdom, revered for centuries for their restorative properties to body, mind, and spirit. Pure essential oils now re-emerge as a key solution to the challenges facing modern lifestyles. Superior to all other supplements, Young Living's therapeutic-grade essential oils deliver positive benefits to the body through smell, direct absorption into the skin, and by normal digestive processes. Cleansing, calming, stimulating, soothing, Young Living's essential oils bring balance to all systems of the body.

How to BUY Young Living Essential Oils

Go to my Young Living web page: <http://nanaearth.ylsocial.net/> Choose RETAIL or WHOLESALE. The discount for wholesale is 24%-- a substantial savings. Buying wholesale just makes sense: YOU SAVE MONEY. It's similar to joining any "buying club" like Sam's or Costco. As a wholesale buyer you agree to purchase \$50 worth of oils in a YEAR.

No monthly minimums. You simply order when you need to. THAT'S IT. PERIOD.

If you WANT TO you can sell Young Living but, no way no how do you HAVE TO.

GETTING STARTED:

1. Choose: WHOLESALE
2. This number will show up in the SPONSOR and the ENROLLER spaces: 1456216
3. Fill in your personal info--name, address, etc. and create a user name/password/pin.
(You are asked for your social security number for tax purposes. If you should make over \$600/year selling Young Living, a 1099 form will be mailed to you as required by law. OF COURSE, Young Living never shares his info with anyone.)

4. Choose a starter kit. Here's a birds-eye view of your choices. The Premium is by far the best buy, but you can choose whichever kit fits your needs.

5. Essential Rewards is OPTIONAL--you can do it or just skip it--your choice. This is an automatic monthly ship option. It makes it convenient to get your oils and to start earning money back, but, like I said, it is totally up to you.

6...7...8. Fill in your credit card info, agree to those pesky TERMS AND CONDITIONS, confirm your order and VOILA... you are now a certified, bonafide wholesale buyer of the best essential oils on the planet.

9. Congratulations! You will receive an email confirmation and from there you can enter your very own virtual office from which henceforth you will order your oils. [Your wellness journey has begun.](#)
